

Roadmap for a resilient and sustainable Melbourne foodbowl

An integrated approach to ensure that Melbourne's foodbowl can feed current and future generations

FARMLAND PROTECTION

Permanently protect farmland on Melbourne's fringe

FARM VIABILITY

Help farmers thrive by promoting the regional economy

WATER ACCESS

Increase water reuse from urban sources in a warming climate

NUTRIENT RECYCLING

Reuse urban organic waste to build soils on farm

SUSTAINABLE FARMING

Incentivise diverse approaches to sustainable farming
