HOW TO LOG-IN

The following link will allow you to access the SONIA student portal for the University of Melbourne: https://unimelb.sonialive.com. Choose Science Mentoring Programs from the list of available Schools and Departments.

Select Student as the Role, then click the University Sign In button at the top of the page.

Enter your University of Melbourne username and password on the resulting log-in screen.

The SONIA student interface Home page will appear.
How to fill in the form

Once logged in, navigate to the Mentor/Mentee allocations tab and click the green ‘+ Join’ button on the ‘2020 Faculty of Science Academic Advising Program’ ribbon.

Next, click the Forms tab. You should see the BSc Academic Advising Program – Mentee (Student) Application form, which you can then edit and proceed to submit your application.

Finally, once you have submitted your application, navigate to the My details tab. From there you should select up to 4 scientific disciplines areas. You should indicate which of these four is your preferred discipline. This will inform the matching process.

For any questions, please contact the Science Mentoring team at: sci-mentoring@unimelb.edu.au.
