

Stimulating private sector extension in Australian agriculture to increase returns from R&D

 Australian Government
 Department of Agriculture
 and Water Resources

This project is supported by funding from the Australian Government Department of Agriculture and Water Resources as part of its Rural R&D for Profit programme.

Department of Industry

Economic Development, Jobs, Transport and Resources

Project origin

- DAWR Rural R&D for Profit programme - funds **collaborative** R&D projects to support continued innovation in Australia's primary industries;
- 2015 Agriculture White Paper initiative; and
- Prioritises primary producer profitability, productivity, adaptability and on-farm adoption progress through:
 - Generating knowledge, technologies, products; strengthening pathways to extend R&D; establishing and fostering industry and research collaborations.

This project Rural R&D for Profit priority:

- Identify practical proposals to stimulate private sector extension services, particularly to fill current gaps.
